

South Lyon Community Schools 2010 Kindergarten Registration

If your child will be five years of age on or before December 1, 2010, you are asked to attend Kindergarten Registration at the elementary school in your attendance area. All meetings begin at 7PM and are held in the cafeteria.

This meeting is intended for parents. Please do not bring children at this time. This provides an opportunity for questions to be answered and any special needs or arrangements that need to be discussed. If you do not know which elementary school your child will attend, please call the Transportation Department at 248-573-8900.

Kindergarten Registration is planned so that each child is given the best opportunity possible to be prepared for school. It is also helpful to the District in order to make plans for staff and building use. It is important to bring with you the following:

A Certified Birth

Certificate: (with raised seal) for each child being registered (original will be returned).

Two Proofs of Residency:

These may include a driver's license, a tax statement, a utility bill, a lease/rental agreement. You must have two documents, which indicate the family name and address (in the South Lyon School District).

Immunization and Vision

Record to Date: You may revise this information in the fall. We realize that many children will take a physical exam and update their "shots" during the summer. However, students will not be allowed to begin the first day of school without proper immunizations, vision screening and verification on file with the school.

If parents are unable to attend Kindergarten Registration, they may register their children in the following manner:

- ★ Parents may register their children with the school building secretary during the regular school year.
- ★ During the summer, when school buildings are closed, parents may register their children at the Administration Building, located at 345 South Warren. Please call Mariann Martin for an appointment at 248-573-8134.

If you have any questions, please call one of the elementary schools or the Administration

Office/CITA Department at 248-573-8111.
